### ***Update 12<sup>th</sup> Jan***

**Good News:**

**Some of the activities at Rutland Activity Centre are now up and running. Monday Jan 7th saw Line Dancing, Chair Yoga, Duplicate Bridge, Barbershop Choir and the City run Yoga Program all start.**

**Tuesday saw the start back for the quilting ladies, pickleball and Fiddlers.**

Pallette Pals will restart next Monday.

Call the centre to enquire about your activity please, our volunteers are there most mornings.

Unfortunately we will probably have to wait until February for Bingo restart and the Games/Pool room will be another few months before it is ready.

There are still going to be some glitches in the re entry and we ask for your patience during these times.

Hope to see you at the Centre soon.

### **UPDATE!!! 12<sup>th</sup> December**

Fire Update and Opening:

Currently the Gym/auditorium floor is in the process of being totally replaced. They are hoping to sand and line the floor this week and then proceed with another finish on top of the lines. We are hoping the floor will be complete by mid to late December but we will post this on the website.

The Games Room will be longer as there was a lot of damage to this area and it is currently unknown when this room will be ready.

The Dance Committee have informed us that the bands for the rest of this year have been cancelled and they hope to restart the Saturday Night Dances in the New Year. Regrettably the New Year's Eve Dance had to be cancelled.

We are trying our best to get back into the building and to get the programs going again and we really do appreciate your patience.
